Despondency. When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere.

EFFECT OF ENVIRONMENT

The conditions in the trenches were dreary in the extreme after the drenching and long continued rain fall, but the irrepressible spirits of the "pals" were not yet entirely quenched when the order came to leave the trenches.

"Hurry up out of this, my gallant soldiers," was the cheery call of the sergeant to his waist deep and rain-soaked men.

"Soldier" came the derisive answer from one of them. "I'm not a soldier; I'm a blooming bulrush!"

Used it For Eleven Years. There is one remedy that for many years has given relief from coughs, colds, croup and whooping cough. Mrs. Chas. Rietz, Allen Mills, Pa., writes: "I have used Foley's Honey and Tar for the past eleven years and I would not be without it." It promptly relieves hoarseness, tickling throat, and wheezy breath. For sale by the Hawkins Pharmacy.

FRIGHTENED INTO FULL GETTLENESS.

Near the close of the Civil War a band of troops halted before a cabin in a remote mountainous district and called to a woman standing in the doorway and who evidently recognized them as enemies.

"Who lives here?"

"I do come the answer in frightened tones.

"Yes, but what is the name of the man of the house?"

The woman turned pale and stared blankly at the leader of the troops for some seconds, but made no reply. When the patience of the leader had become exhausted and he was preparing to deliver a severe reprimand her face brightened suddenly and she called loudly to some one within the cabin. "Marair, oh, Marair, what is the name of the man I married last week?"

Easier to Stop Now. It is easier to check a bronchial cough now than later. Coughs grow worse the longer they continue. Foley's Honey and Tar stops tickling in throat, allays inflammation and irritation, restores sore and discharging membranes to healthy condition, opens congested air passages, and affords longed for relief.

EQUALLY TALENTED.

A private soldier, tired of border life, went to the captain with a story about his wife, whom he said, was breaking her heart from anxiety for his presence. The officer replied, "You are not telling me the truth. I have just received a letter from your wife asking me to keep you away from home because you get drunk, break the furniture and treat her disgracefully."

The man saluted and turned to leave, then he stopped. "Sir," he said respectfully, "may I speak to you a minute as man to man?"

"Yes" said the Captain, "what is it?"

"Well sir, you and me are two of the most elegant liars in the battalion. I ain't married."

Gentle—but Sure. Biliousness, sick headache, sour stomach, gas bloating, constipation, dyspepsia—all these distressing consequences of retaining a mass of undigested and fermenting food in the stomach are avoided if the bowels are kept open and regular. Foley Cathartic Tablets are first aid to good health. Do not gripe.

THAT HELPED A LITTLE.

"See here, sir," cried an indignant man entering the office of the local newspaper, "what do you mean by referring to me in this morning's paper as a greedy jobber?"

"That was a typographical error, and I am sorry that it appeared that way."

"Very well," returned the appeased man, "then I accept your apology."

"I don't understand how that fool linotype man came to set the word 'greedy' added the editor. "I wrote the word 'robber' very plainly."

When You Take Cold. With the average man a cold is a serious matter and should not be trifled with, as some of the most dangerous diseases start with a common cold. Take Chamberlain's Cough Remedy and get rid of your cold as quickly as possible. You are not experimenting when you use this remedy, as it has been in use for many years and has an established reputation. It contains no opium or other narcotic. Obtainable everywhere.

EASILY EXPLAINED.

During a military review at Aldershot last summer one of the foreign attaches had made himself obnoxious to several staff officers by asking ridiculous and often impertinent questions. Turning to an old infantry officer, he said:

"How is it, Colonel, that your bugle call 'Advance,' is so short while the 'Retreat' is just the reverse?"

"Because, sir," replied the veteran, "when a British soldier goes into action it only needs a single note from a bugle to make him advance anywhere, but it takes a whole brass band to make him retire."

How Catarrh is Contracted. Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucous membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted, a little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

SPECIES UNKNOWN.

The district visitor read the absent son's letter to the slummiest, and kindly asked.

"And what are you up to do with the striped kimono he says he is sending home?"

"No wonder you ask miss," sighed the anxious mother. "I'll just have to keep it chained up in the back yard; but what I'll feed it on, goodness only knows."

AN EFFECTIVE PLAN.

Two men were discussing the question of whom should be the head of the house—the man or the woman.

"I am the head of our establishment," said the first man. "I am the bread winner. Why shouldn't I be?"

"Well," drawled the second, "before my wife and I were married we made an agreement that I should make the rulings in all major things, she in all the minor."

"How has it worked?"

"So far," smiled the man, "no major matters have arisen."

Cut This Out—It is Worth Money.

"SPEEDING UP" DOESN'T PAY.

"Is your horse a good traveler?" asked one man of another who had stopped him on the highway to "swap" horses.

"A good traveler? Why stranger, I can drive that horse so far in a day that you couldn't get him back in three!"

Naturally this ingenious, though not ingenious argument did not affect the trade. But it is the sort of an argument that in a disguised form is being put to the front by company's and people all over the map.

"Efficiency" and "pep" are the two most overworked words in the language these times. Wherever one goes he can hear the mental motors buzzing and the wheels whirling. Every man is so keyed up and densely charged with his life purpose that you are almost afraid to shake hands with him for fear of getting an electric shock.

But listen, you fellows not already—because of overwork—headed for the psychiatric hospital, the words has gone forth that "speeding up" has reached its limit, and that it doesn't pay.

"The inefficiency of 'efficiency' has proved both costly and brutal," says a man who has been a life-long student of busy men. "A man should be at his best up to 70, a man disappears at 55 he is inefficient, no matter what he has done before that time—inefficient because he has thrown away the ripe fruit of all his life."—Boston Traveler.

Make the Most of Prosperity.

Every man should keep fit these days and make the most of his opportunities. No man can work his best handicapped with disordered kidneys and bladder, aching back, swollen joints, stiff muscles or rheumatism pains. Foley kidney pills pay for it a hundred times over in health improvement.

AS IT IS NOW.

"Will you marry me, my pretty maid?"

"How many cylinders has your automobile, sir?" she said.—Louisville Courier Journal.

No More Backache For Her.

Mrs. J. M. Gaskill, Etta Green, Ind. writes: "I suffered from severe backache and sharp pains. I could not sleep or stoop over. Foley Kidney Pills gave me such relief that I cannot praise them too highly." This standard remedy for kidney and bladder trouble ailments can be taken with absolute safety. SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

At. Atty. N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I felt almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlasting tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL.

Starts Your Liver Without Making You Sick and Cannot Salivate.

Every druggist intown—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's liver tone is taking its place.

"Calomel is dangerous and people know it," while Dodson's Liver Tone is perfectly harmless and gives better results," said a prominent local druggist. Dodson's liver tone is personally guaranteed by every druggist who sells it. A large bottle costs 50c, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's liver tone is a pleasant tasting, purely vegetable remedy, and harmless to both children and adults. Taken spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach, or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work. Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.
